It will be very fun.

Let's draw the future.

What will the campus be like?
What will the teachers and students have?
What will the classrooms be like in the future?
Will there be flying schools?
Space schools?

Everyone is welcome.

Kids especially.

Discovery Institute
University of Wisconsin-Madison

April 16th, Saturday
10:00 AM - 2:00 PM

Please come and visit.

Must you answer?
